“ Randy, Lawrence, Lisa and Tony words cannot express the sorrow you are feeling right now as heaven has gained a true Angel. Your Mother\Grandmother was truly one of God's favorite children and such an inspiration to her family, many friends and customers. It was my honor and pleasure to have known her and worked with her all those years ago. My prayers and thoughts are with all of you during these trying times.

“ To one of my favorites, I looked forward to our talks at the post office as we remembered the times of the past as she was so very faithful and loud to support her Carrabelle High School sports teams. She dearly loved her family and did everything possible to help them be successful! She will be sorely missed by so many...and I am certainly counted among them. Rest in Peace, Ms. Merle!
