“ Viola was such a dear sweet soul. She welcomed my three grandchildren to shop and play in the Sopchoppy Thrift store. Her legacy lives on in her family members. Now she is a sweet angel watching over those who may need it.

“ For many years, Ms. Viola was the senior citizens thrift shop. She made everyone feel welcome and a place for socializing, so many people dropped by not just to buy but to visit with her, she will be greatly missed.

Viola was and still is an inspiration to me. I want to be like her...sweet and composed, always seeing the brighter side, finding humor in a situation, having a positive attitude, and with a permanent smile! She was a good friend to me and my husband, who loved to share his fresh caught fish with her. She was ALWAYS an angel!
