“ *We have known Pappy for a very long time. He was a great person who loved his family. When he and Sonny had Council Brothers, they were a terrific pair. Also, worked "around" them for a long time. Our thoughts and prayers are with you (Winnie) and the entire family. He will be missed but know that you will see him again one day. God bless all of you during this difficult time.*

“ I was a member of Council Brothers and actually Pappy hired me. Pappy was very good to me and he was instrumental in forming the man I am today. The entire family had and shared great values of integrity and expected you to represent them in their jobs with this same integrity. He and I had countless hours as he taught me these values. I will always be indebted to the Council family for the opportunities they gave this very naive country boy.
