

Esther N. Pelt

August 18, 1931 - March 20, 2024

Esther, a woman warrior! A single mom with great love for her children. In her tireless work to sustain them, she did not forget to love life, to love music and to love nature. Her unselfish love was freely extended to her extended family and her children's friends, making them feel like family. Esther will be remembered as she played her harmonica with much ease and joy with her friends on "Pickin-n-Grinnin" band at the Senior Center, a place where she enjoyed the company of her many friends. She will be remembered for her zest for life, in the face of undaunting challenges; a woman who made sacrifices for her children; a woman who loved life and lived it fully! Heaven has gained a harmonica bearing Angel named Esther. She is now playing sweet music in the heavenly court! May she rest in peace and rise in glory! The family will receive friends Saturday, March 30, 2024, from 10:00-11:00 am at the Ellie Pelt Cemetery in Crawfordville and the Funeral Service will begin at 11:00 am.

Skip & Trey Young along with Paula and Kimberly are assisting the family.

“ I'll always remember crossword puzzles, barefoot and planting flowers. Her love for flowers and trees was beyond anything I had ever seen. I pray the tree that's planted brings joy and happiness to those around it, just like you. Play on Aunt Esther.
