“ *Evie was a true light in this world. She provided a great partner to my Uncle Stan and I will always have fond memories of her constant laughter and goodness. She made the best biscotti for Christmas and was always so generous. She was so proud of her son and his wife & their two kids! Her unexpected passing is truly sad and heartbreaking and she will be so missed.*

“ Over the last ten years, we had covered many miles on horseback, and spent many hours around the camp fire. Ev always rode with her GPS and made sure we found our way back to camp. No getting lost with her, but we will be lost without her. Ride in new health my friend.
