

## Floyd Edgar Adams

October 17, 1944 - November 21, 2022

Floyd E. Adams, 78, of Woodville, passed away at his home on November 21, 2022. His loving family and friends were by his side. Floyd was born in St. Augustine, Florida and lived there until he left for college at the University of Florida; that is where he met the love of his life Carolyn Lewis.

He is survived by his wife of 57 years, Carolyn L. Adams; son, Floyd R. Adams, Sr. (Teresa); daughter, Lisa A. Stewart (Roger); brother, Michael Lee Adams (Pixie); grandchildren, Rachel, Aaron, Russ, Ramsey, Mason and Caleb; great-grandchildren, Roxcena, Alex, Isaiah, Leo and Oliver. He also leaves behind his most favorite and devoted Cavalier, Penny.

He was preceded in death by his parents, Elisha Floyd Adams and Mary Frances Skinner Adams.

Floyd worked for the Department of Agriculture, Department of Natural Resources; and he retired from FDLE. He also attended Law School at the University of Florida. He was a gator fan through and through! He served in The Florida National Guard, and he was a member of the Robert Butler Masonic Lodge. During his short illness, Floyd was able to reconnect with his childhood friends, classmates from St. Augustine High and co-workers. The many telephone calls, cards, notes and other expressions of kindness brought joy during a difficult time. They all helped him on his journey. Thank you! Funeral Services will be held on Saturday, November 26, 2022, at White Primitive Baptist Church at 1900 Lawhon Road in Woodville at 2:00 PM. The family will receive friends one hour prior to the service 1:00-2:00 PM.

Memorial contributions may be made to Big Bend Hospice or your favorite charity.

Skip & Trey Young along with Paula & Kimberly are assisting the family with arrangements. (850-926-5919, [www.familyfhc.com](http://www.familyfhc.com))

*Carolyn and Floyd came into our lives in the fall of 2016 by allowing us to be the furever parents to one of their most beautiful puppies, Camille. Floyd's devoted Penny was her Mom. We were so lucky to come back to visit Floyd and his sweet Penny and all of the other beautiful Cavaliers. Floyd always showed such love and devotion to his family and his fur babies. Larry and count ourselves lucky to have known Floyd. God speed Floyd, go and rest in the Lord, good and faithful servant 🙏*

*Floyd and I shared life in the best of times. Living in the Fullerwood neighborhood of St. Augustine's "north city" we became friends in our elementary school days. Floyd was in the third grade, I was in the fourth. Throughout the next ten years we shared paper routes, adventures, sports, and dreams. Hunting buried treasure at Ft. Mose Gardens, frying bacon on the Fort bayside wall at 3 AM Sunday morning, and exploring Camatchie Island from end to end, we always had something exciting to do, often accompanied by the Gardner brothers, Bobby and Gary. As the years went by, we learned more about life, transitioning from little boys to youths to young adults. We gave up playing cowboys and Indians and the Saturday Western matinees, moving on to rock-m-roll records at Walgreens and dances at Teen Town. We discovered girls...double dating and learning about teenage love. And we began looking ahead to our futures.*

*Thank you, Floyd, for having been such an important part of my life.*

“ I want to express appreciation, admiration, and heartfelt thanks to a friend and fellow employee, whose title of Administrative Assistant in what was once known as the Florida Department of Natural Resources, Division of Law Enforcement does not adequately convey the essential role he played in its capacity to function effectively or efficiently. Both personally and on behalf of the many whose paths intersected and paralleled that of our colleague, mentor, and companion, Floyd Adams, we found his achievements and demeanor inspirational. Floyd represented, first and foremost, the sense of service and duty to the public he, and we served. Floyd was a quick study, who repeatedly demonstrated his capacity to find solutions to challenges large and small, all consequential and always accomplished without hesitation or delay. And Floyd was more than a dedicated, talented organizer and technician. He was an icon of humility whose mere presence simultaneously earned confidence in his solutions, and a clear sense of his empathy for those affected by those solutions. Floyd's quick wit, composure, and delivery of his thoughts and opinion in his uniquely intangible but entirely persuasive combination of verbal and nonverbal expressions was unequivocally superb. His repertoire of idioms combined with no reluctance to expertly apply them at precisely the right time was legendary. That Floyd could indeed make a silk purse from a sow's ear was taken for granted. His talent cemented his reputation, and our trust in him far beyond the confines of our geographic or operational boundaries. Forty years ago, when our paths first crossed, the ability and opportunity to communicate and interact face to face was infrequent, even scarce. Despite relative isolation, the name and reputation of Floyd Adams as a man of integrity, competence, and selfless determination was universally known and accepted from Pensacola to Key West That reputation was earned and it endures. I grieve his departure just as surely as I relished his presence, and offer my condolences to the many others whose time and place on earth were made better by the effect of his efforts.

“ Floyd we went to school today in St Augustine-how ironic you lived less than 10 miles from me. I wish I had known. You were an outstanding student and a good friend.
