“ *Please know that all of you are in my thoughts and prayers. One of the things I will always remember the most about Floyd was his smile. It was contagious. You couldn't help but smile when you saw it. I remember when we built the deck at my house in Crawfordville together. We had so many laughs, at my expense, while doing so. My heart goes out to everyone during this time. Much love, Debbie Custer.*

“ So sorry to hear of Floyd’s passing. I have not seen or spoken to him in many years, but he was one of the greatest mentors I had. I worked with Floyd from 1987 - 1994 at Killearn Country Club and at Seminole golf course. He taught me so much during my time at Killearn and I would not have had the success I had as a Golf course superintendent without his teaching. Floyd never ceased to amaze me. He could fix or fabricate anything and I mean anything. I loved him and he will be missed!

“ *Not a great picture of Mr. Floyd but trust me he was keeping us straight. This picture has been on my desk calendar at 4 different golf courses now. Richard and Cedric Stephens in the picture their dad also worked at Killearn with Mr. Floyd back in the beginning of Killearn.*

“ He was a great mentor to me. From just working on the crew while in college at Killearn to when I was the Superintendent building St. James Bay. He will definitely be missed.

“ Uncle Floyd was the sweetest man next to my dad. I was talking to Uncle Floyd one day when Daddy and I are visiting him and Aunt Ethelle and the subject of trees came. I said something about wanting some for my yard. The next time Daddy and I visited which was a long time after and said to me I have you 3 trees out back potted for you. He and Aunt Ethelle's property has cedar trees on it and he had potted me 3 of them. Those trees now are so big now. I look at those trees everyday and think of him. I show him a picture of those trees and he just smile.
