“ Mrs Mathis was a remarkable artist. Mrs. Fran and Mr. Matt came to Spring Creek one day so Mrs. Fran could show me just how easy it could be with a lil bit of special luck to be able to sit and draw a pic of anything in the world the heart desires. So we went and sat on the bank behind my grandparents Willie & Nellie Spears big 2 story house located right on the water where Mrs. Fran made a blank sheet of paper turn into a hand drawn beautiful portrait of the back side of the 2 story house that when she was done drawing signed the back of the picture hand gave to me as a special gift. Which still today I have and it hangs on my wall of our home and it's priceless. A very special couple Mr Mrs. Matt Mathis have always been very close friends of the Spears Family. Rest in peace now Mrs. Fran you've reunited with the love of your life and can go any where in this world to draw any and everything possible.
