“ Freddie, you married my Sister and became not only my Brother-in-Law, but over the years like a younger Brother to me!
We shared many talks together about the War and Memories of our times together, with Loved Ones.
We were each others “Confidant” thru many Seasons.
You had a deep Love for your Family and they were the “Light of Your Life”!
You Loved Nature and enjoyed your times out on the water fishing.
They were your times of Peace! Your escape!
You will be missed, But never Forgotten!
Tony and I are having a tree planted in your memory, to commemorate your Love of Nature and the Peace it brought you!
Love you and so Proud to have had you as Family, but most of all, Always as my Friend!
We wish you PEACE! Love Sissy & Tony.
