A good man has gone and will be greatly missed. May God be with the family and friends, grieving the loss of a Great Man.

I called Freeman, My Old Long Haired Hippie and I thought the world of him. I shall never forget the time Freeman had an old Juke Box that would not work and asked me to fix it for him.

I did not know anything about Juke Boxes but I said I would try. Thank the Lord, I got it back to working and made Freeman very happy.
