“ *I worked with Gail at TMH on 7A. She was such a dedicated and caring nurse. Always very efficient as well. She precepted me and showed the ropes on 7A when I moved to Tallahassee. She was so kind to me. My condolences to her family.*

“ Gail was a brilliant and generous pioneer of women's equality across platforms of career, service and family; a creative force and a patient helper.

Her grace and loving spirit, further nurtured by her daughter, Elizabeth and Elizabeth's husband, James, in her last years is a testament to the power of unconditional love and faith.

May her eternal light shine on all the gardens, and the people she loved.

“ I met Gail (around two years ago) at the Wakulla Respite Program held at Lake Ellen Baptist Church on Mondays. She was a beautiful woman inside and outside. I will always remember how she loved having her purse with her at all times. Gail had a very sweet smile and loved all of the wonderful singing that the volunteers brought into her life. Elizabeth was the most wonderful caregiver and she was always very kind to her mother. May the Lord grant comfort and peace to Elizabeth, James and all of the family. Love to all Linda McDaniel

“ I was blessed and honored to be one of the CNA's to work with Mrs. Gail. She was a beautiful woman who had so much love in her heart. Her smile always brought so much joy to my days. My thoughts and prayers are with the family in this difficult time. I have attached a picture of Gail that I took of her. She was singing along with the music like she always loved to do. R.I.P. beautiful angel till we meet again.
