“ *George was a loving and caring dad who thought the world about his children and wanted to do more for them always. He was very proud of both of them. His smile could light up any room. Loved his Miami dolphins and always talked about how he loved wrestling. George will always be remembered as a sweet and caring man. R.I.P George watch over us all.*

“ I am so sad to hear that George has left us. He was one of the most caring guys I knew in high school. I have always had a soft spot in my heart for him. George was one of those people who would do almost anything to help whoever needed it. Our senior year he gave me a Rudolph Reindeer that he made in shop class. There is a red light bulb that glows for his nose. It has been on display in my home every Christmas since then. Over 30 years that light has reminded me of him and his giving spirit. It will continue to shine in my home as a reminder that his spirit lives on for the lives he touched.
