My family would like to offer our condolences to Rodney, Jeffrey and the rest of the Granger family during this time of loss. I don't need to tell you both what a great man your father was, or how much this community loved and respected him. Y'all already know. “ *My fondest memory of Lt. Granger was photographing him holding a snake almost as long as the lieutenant was tall on the old east steps at TPD. A big guy with an even bigger heart and smile, and tough when he needed to be. I'm enriched for having known him. May your grief quickly fade into all your wonderful memories of him.*

“ *Derinda and family,*

My heart and prayers are with you during this emotional time. I never got to meet your dad, but the stories and pictures shared were priceless. He seemed like such a man of God, and a man of humor, and he raised the most caring daughter (and sons) one could hope for. We celebrate the amazing life he led, and the fact that he is healed and at peace, reunited with so many loved ones. Prayers for comfort, peace, and warm memories to surround you all during this difficult time.
