

George Michael Harrison

November 21, 1947 - December 24, 2023

George Michael Harrison, 76, of Crawfordville, passed away on December 24, 2023. He was known by Mike, Michael and Mikey and in later years by George. He graduated from Florida High School in 1965 and went on to further his education through various colleges. He retired from the State of Florida, Department of Revenue. George was a devoted and active member of the River of Life Church and dearly loved his church family. He loved and served God deeply from his heart.

He was a talented artist where his framed drawings graced family and friends' walls. He was a self-taught harmonica player and always traveled with his instruments to be ready to play at different events.

George was a long-time dedicated member of the American Legion Saul Bridges Post 13 where he was a past 1st Vice Commander. He had the skills to make every member feel like a member of a fantastic team. He held many positions while serving the veterans and members. He served in the Coast Guard Reserves and the Coast Guard Motto: Semper Paratus (always ready). He always followed that motto. George was also a Flotilla in the Coast Guard Auxiliary and looked forward to honoring the duties set forth for its members. He was a Civil War Buff which heightened his enjoyment, of participating in the Civil War reenactments for many years, where he adorned a confederate or union uniform.

George truly loved children and they loved him. Family called him their "Memory Bank of Knowledge." He had a special gift of making people feel

needed and wanted. He was always available to help others in need.

“ I literally just found last night out about George’s passing. My heart is so very sad! I loved him literally all my life as he was my brother John Davis’ very best friend throughout school together at Florida High and forever through John’s unexpected passing in 2001. George and I remained friends and always shared tight hugs, tears, giggles and laughter about his and my brother’s good old days each time we saw each other at Veteran events. I will miss this awesome, awesome man in my life but he will always be in my heart! What a sweet, tender, loving, patriotic-to-his-soul, man of God he was!! What a blessing he was to this earth and all of us blessed enough to have him in our lives. ❤️

“ Michael was a dear friend of our mother, Rachel, for many years before her passing in 2012. Growing up, he was ever-present at family dinners, special occasions and birthday parties. We have many fond memories of Michael from our childhood.

Sending healing prayers and comforting hugs to his loved ones.
