I was always so proud to have George as my only brother in law. He and my sister Michele shared so many fun family times as we watched our children grow. Our kids loved Uncle George and he was the greatest friend to my husband Ellis. How this family laughed when we were together. I will miss that laughter, it will never be the same. Thank you God for sending this true Christian man to our family. He was awesome!

“ *I am positive Daddy is very impressed with the presentation and events of the last few days. He truly enjoyed his friendship with Skip Young and Trey. I am thankful they are part of our lives. To Skip, Trey, and Mrs. Johnson you all did a fantastic job helping us present Daddy's life. You truly are "Family". Your facility is georgeous, and your skill and attention to detail is far above anything we could have imagined. Thank you.*

“ *I went to junior and senior high with George and Michele. George always had something clever to say and was well liked by all. We played football together where he turned his Clark Kent apperance into Superman actions. My prayers go out to the Johnston family.*

“ That is a beautiful tribute. The pictures show a life full of love, friendship, and family. I am so glad that George and my sister found each other. I know he made her, their children's, and grandchildren's lives the best they could be. He was a great brother-in-law and I know I am a better person because of him. My mother thought highly of him and was thankful and proud he was in our lives. He touched so many lives in a positive way. He gave so much for his friends, family, God, and country. I don't know that there is a greater gift that a person can give to his fellow man. Thank you George. You left a wonderful legacy. We will do the best we can to follow your lead.

“ George was a precious friend and one of the most unselfish people I have ever known. George loved God, his Country, his family, his friends, and animals and not necessarily in that order! George was my colleague and mentor in real estate. I will never forget his (and Miss Michele's) support and assistance with my animals - both horses and dogs. Rest in peace my friend. Lynne Andresen
