“ One of my fondest memories of my Aunt Geri is the trip we took with my wife Linda, my Mom Wanda and her back to the family farm in 2006. We visited many national parks and historic sites on our way from Oregon to South Dakota in our truck and travel trailer and I will never forget the one stop where I bought them all back seat drivers licenses and Geri thought they needed to sign them to be official. Geri was always a loving sister to my mom and mom always looked forward to her letters. We all looked forward to her visits with us here in the northwest and I miss her already. Love you and give mom a hug for us up there!
