“ I am going to miss my sweet sister .When she came to live in Tenn,we really had a lot of good times and laugh.This is one that comes to mind.She and I had gone to grocery store just before Thanksgiving and she had got some can biscuits.We were standing there talking and we heard a pop and the can had exploded. One had went over my head and we looked up and a man in front of us with a real busy beard had one in his beard. Trudy reaches up and pulled it out .It was so funny.

“ Sending my prays out for the family. She was such a good Mother and Aunt. I have so many good memory when I was a child. She would make me and Charlie all kinds of food we wanted. She truly loved her children and would do anything for them. You will be missed Aunt Gertrude but will always be in our harts and your memory will live on. I know your in a better place with Charlie now without any pain or worries. I will always love you and miss you.

“ Sending my deepest sympathy to the family. My memory of Aunt Gertrude is when we were all little growing up in Chaires. That's when as kids we played and until dark walking from house to house. She and my mom would let us kids go to work with one of them so that we could go to the movies and then we would wait until other one got off work to go home. I also remember she would make her girls pretty dresses. Sending hugs and prayers to the family.
