“ I remember Aunt Gina and Uncle Leon coming to our home an one evening Uncle Leon and I sat down an played the guitar an sang together. It was such fun. Aunt Gina was so beautiful. We didn't get many visits with them but it was remembered when they came to stay with us one summer. You are all in my prayers, as it is sad to us all when someone passes. With Love to all, Michelle (Frascella)

“ Always sad to hear the news when one of the family passes, it's always a reminder of how little time we have here.
Our Aunt Gina will be missed by all, especially by my cousins for sure. She was blessed to live a long life, something few of us may have.
To my cousins, and to my Mom, I'm so sorry to hear the sad news.

“ I was sad to hear of the passing of your mom. She will be surely missed. My sympathies go out to you guys. We will all miss her laughter.

*My fondest memories are when your mom and dad would pull into school parking lot, that was across from our house, towing that small camper. We would all come out to greet all of you. I know my mom and dad enjoyed having everyone over. I remember the times in the kitchen at our house when your mom would try to help our mom do the cooking. That's when the Italian language would be spoken. God bless all
Your cousin Mike*

“ Dear family,Aunt Annie here to let you know that I loved your beautiful mother and called her as often as I could so I could hear her voice. She was a big influence on me and why I chose to go into the nursing profession.She always relayed to me how proud she was of her wonderful children. Gina loved her home and where she lived,I can understand why,we visited her and it was a beautiful place to live out her life. You all will miss your Mom but can rest assured ,you all made her very happy. I hope you are all well and content that you made your mother's life a happy one. God Bless You!

“ So sad to find this out for my Mom. I remember Aunt Gina and Uncle Leon visiting us in NJ when I was young and we all went to the beach. I loved her spunk, my parents visiting aunt Gina in Ca. when I lived in Tucson AZ going to Hurst castle. I still have a bird feeder she made from clay that she sent back with my Mom for me. My condolences to my cousins and family. Cousin Sandy in Tenn. posted this picture not long ago on social media, I thought I would share.

“ To the family of Gina Tedder, I'm so sorry to hear that my sister Gina passed away on August 1st. My deepest sympathy to her children. Although it's been many years since I've seen her, I can still see her beautiful face. Many years have passed and age prevented us from visiting each other but I will always love her and miss her. She will always be in my heart and on my mind. Love, Aunt Mody.
