“ My sweet brother-in law_ you always hugged with such warmth and kindness and you always said “ I love you” with each hug! We spent a lot of time together_ worked together- cooked and you helped build the pool deck with John- you had a calming way about you. I already miss you, and I want to say thank u for everything- for taking care of my sister when she was sick- for being the amazing Dad you have been for Addy_ this is so hard to say goodbye so quickly—.you have made an impact on so many lives that your memory will never fade _ ! We have so many “ Opee” stories to keep us smiling while the tears roll down! Tears of sadness and tears of joy to know that you are rejoicing with your family_ until we meet my sweet brother.
