“ My condolences to Helen's family. She was always pleasant to be around. I enjoyed working with and just knowing her. Sorry I can't be there for her service as we lost another "telephone family" member, Homer Larry Green and his service is a the same time. My prayers and may God's blessings be on you all.

“ Helen and Albert generously shared their knowledge about Wakulla County history with St. Marks Refuge staff. They were instrumental in our success installing a historical marker. I am sad that Helen did not live to see it. She was a sunny delightful person. We will miss her visits.
