What a beautiful tribute to the life of a woman who gave such joy and fulfillment to so many people. Isn't it amazing how you can say so much with no words at all? Many prayers to the entire family that God may give you the peace to help you get through this and may the beautiful memories help you celebrate her beautiful life.

“ *Annie Ruth, Charles, Martha and Grandchildren, Our hearts are saddened by the loss of a loving Mother, Grandmama, and Mother-in-law, but rejoicing knowing she is without pain in a better place. As I watched the beautiful tribute, it brought back a lot of fond memories in our lives. I am truly blessed to have been a part of her life, and yours. She had a heart of gold, and loved giving, and doing for her family and others. She loved her grandchildren, having fun with them, and of course spoiling them. She could make the best macaroni and cheese this side of heaven. No matter how many times she tried to teach me how to make it, I never can master it like hers. She proved all the horrible mother-in-law jokes to be false. I was always treated with much love by her and Mr. Turner. You children can look back with no regrets, by the way you honored her with your love, care, and unselfish time of making sure her needs were met, through her last few years of illness. You will truly be blessed by God, for obeying His commandment. By blessing our lives with her love and kindness, her memory will live on forever. Praying for God's peace and comfort as you go forth with your lives. I love you Ms. Turner !*
