“ I was privileged to serve as best man at Frances' and Butch's wedding. We all grew up together in a great neighborhood in South City and were very good friends. They have always had a special place in my heart. They were a great couple and will be missed. I will always remember the great times we all had together. God is good!

“ *Frances was faithful to our Sunday School class. She has been a dear friend to me since I was new to this area. I loved getting to know her, and she had a way to share her heart. We just connected. She was one of a kind, always positive about life in general. I want her boys to know how dedicated she was as a friend, her faithfulness has meant so much to our Sunday School Class, and to me personally.*
