“*Mr. Hobby has been my hero since the day a few years back I myself was down south visiting a friend and was in my way back to Wakulla County and had just got off interstate onto a dak road headed in towards Williston I believe. My car started having unknown mechanical problems and hadn't long been bought the car. It was extremely scarey down this road and I started praying Lord please get me to Spring Creek safe and the car finally cut off no engine or lights everything dead. And so I pulled over to side road nad cut car off and sat in the dark alone scared with cell phone 5% battery power left. I asked good Lord please send me a miracle Lord I'm in distressed. And right out of the blue Mr. Hobby was coming back from further down south dropping off a state vehicle and passed by me sitting there and it was just so happened I had Mr. Hobbys cell # in my phone and I dialed and dialed his no and no answer. 3rd time always a charm a dispatch I assume answered the phone and I tod her real fast situation and here came back Mr. Hobby answer to my prayers thank you Lord. He got out and walked up to my car and hello Ms. Spears let's Load this grandma up head to Wakulla County. That's my miracle savior all that way and we rode to 98 caution. Light and he said Spring Creek lil DoodleBug. Unloaded my car right in front of our house and Daddy walked outside and shook hands and daddy pulled out \$200.00 to give Mr. Hobby for what he'd done for me and Mr. Hobby wouldn't take it for no reason in world. My pleasure. Our prayers go out to the family during this tragic time. For we lost our Mother Annie Spears & Aunt Barbara Spears from a tragic car accident that occured on 12-19-22. Rest in peace Mr. Hobby you'll always be a prayer answered indeed.*
