“ I was able to have a wonderful visit with Uncle Buster and Aunt Myra and Linc not long ago. I really enjoyed Uncle Buster sharing stories with me of him and Daddy and the rest of the brothers going into Quincy to go dancing when they were young. I have many fond memories of family reunions at Uncle Buster's and Aunt Myra's place. Their home was always filled with love and laughter. I love you guys so much, Aunt Myra, Linc, Jo, Marcia, Andrea. I'm so sorry for your grief at this time but thankful that we can know our parting is temporary. Love, Betty Mathis Lahtinen

“ I got to spend a couple of hours for several days with Buster & Myra when he was at the nursing home while my Mom was in there. I am glad I had this time to talk to him about days that we worked together and thoughts that he had. These are memories I will hold in my heart very close he was a great friend and mentor that I wish I had spent more time with. I feel I have loss a piece of my heart and I am praying for the family since they have always been there for me. Love 💕 you all.
