“ Gena and all your family,
We are so sorry for your loss of Jack. We share so many memories over our lifetime. We started out together in the first grade and graduated from Reidsville High School in 1964. We were on the football and track teams together as young naive farm boys. Jack joined the USA army special forces and jumped out of airplanes during the Vietnam War while i was a school teacher and joined the Georgia Army National Guard. Then he went to work with American Express in Germany and later returned to Reidsville as a banker. He helped me to purchase my first home. We had many hunting and fishing trips with some exciting adventures. We played recreational tennis and had some fun times with other great friends. He and Gena shared many weekends hunting at my farm sometimes known as Paradise Lake. I always tried to save him some homemade fruitcake for his sweet tooth. We shared many discussions about our families, faith and sports. I'm thankful for our lifelong friendship. I will miss him and our telephone conversations. We send our love and sincere condolences to all of you.
May God Bless. 🙏❤️☐
