“ Roughly a year and a half later and still does not feel real. Meme you were always the light to another persons day and always loved even when wrongly done. I still look back on our boat tours in Wakulla springs and value those every day. You showed me to always love someone with all your heart no matter who they are to you.

You were a true blessing to this world Meme.

We love and miss you deeply.

“ I will always picture her sun tanned on the beach. She was always like the coppertone girl. She was beautiful inside and out. We had many good memories and laughs on White Street. My thoughts and prayers are with you Fred, Shannon and Sean. Love to you all. I'm so sorry this is a terrible loss. She was a remarkable lady. ❤️🙏🦋
