What a beautiful tribute to Ottis. He would be very proud of this. It's sad watching it knowing he's no longer here. Im sure he's already making his funny faces at everyone in heaven and talking about his love of fishing and his wonderful family. God bless you all. He was a good man.

God bless your family. Forgot he was a twin. He repainted an old baby doll baby bed for me one time for my mother-in-law. I made a new mattress with silk and lace. She enjoyed it immensely.

Just a memory, you helped me shuck that bushel of oysters under the carport. I needed help, I was very slow.
