I am so saddened by this news. Mr. Fraz was such an amazing person! So much of my childhood was lived out at his house & those were some of my best memories. He will be greatly missed!

“ Mickey - We are so very sorry to hear about Jim. You two have been the best neighbors we could have asked for these past 15 years. You took such great care of Jim and were so committed to each other. Thinking of you at this time. I hope you know were right next door if you need anything at all.

“ I am so sorry to hear about Fraz. He helped me when I started at the Capitol and taught us all a lot. He loved his kids and talked about them frequently. Mickey, you showed outstanding love and commitment by standing by him all the years since his stroke. He will stand out in my memories as a guy that was not afraid to say what he was thinking even if folks did not like it.
