“ *My heart goes out to all of you. I love you all and I'm so sorry I couldn't be with y'all today. I met my Glenda when I was eleven years old and babysit so much, I considered them mine. Glenda you taught me so much and showed me love more than most anyone as a child. I remember when you and Jimmy got together and how happy you both were. Then for him to be Pat's (Free) brother I already loved him. So sorry I missed so many years without seeing you, please give my love to everyone. Harold lost his brother the day after Jimmy or I would have been there. God bless you all.*
