“ James High was very good man. He was a part of a generation that always put family first, worked hard to provide for his family. I had the privilege to work and know him personally. He always was fair and honest. He never spoke to anyone harshly. If you made a mistake, he would talk to you about in a way you could learn for that mistake. He loved to laugh. James, God speed you and bless you. You will be missed terribly, but never forgotten.
