“ What a great loss. Jane and I go way back to DOR in the early 80's. She was a great person, friend and mother. We had the opportunity to travel together and drink a little, LOL.

She will be missed by all who had the opportunity to know a "really neat lady". Jimmy Silvey

“ *I was so sorry to hear about Jane's passing. Jane brought joy and laughter into my life. She was always there whenever I needed a friend. We drank many a beer together and shared some of the best and funniest and juiciest gossip about all our friends and not-so-much friends at DOR. Of all the many folks I met at the agency, I loved Jane the best.*

“ To all the children, grandchildren and friends of Jane's, I was so saddened to hear of the passing of Jane, she was one special lady who loved life, her family and her friends dearly. I know it's hard to lose a loved one but remember Jane is no longer in pain and is in a much better place now. Just hold onto all the precious memories you have of her in your heart now and forever, God Bless each of you.

*I'm sorry that I can't be there for the celebration of life for Jane but I now live out of state and can't make it down there at this time.*

“ Jane was a wonderful lady who was always cheerful, full of laughter, and joy. During the years I knew her @ DOR, she was dedicated to her work, & never said an unkind word about another person. She spoke lovingly of her children & grandchildren, & one could tell she was a great Mom. She'll be missed by many, but her spirit will live forever.

“ Jane, Judy, Lela, and I always enjoyed our Masten Family reunions together. It was always fun to run around together at the El Dorado Park when we were young. Since I lived closer, I got to see Jane more often than Judy or Lela, so we spent more time together. Our cousin Jerry called her Rose for the flower and me Dandelion, also for a flower. As you can guess, since a dandelion is a weed I wished he had a better name for me like he did for Jane! Our birthdays were one day apart, which always made her a bit more special. She will be missed. Prayers for all. Cousin Bev
