

## Jared Ray Causseaux

November 6, 1974 - February 7, 2024

Jared Ray Causseaux, 49, of Wakulla Station, passed away unexpectedly February 7, 2024. He was a native and life-time resident of the Woodville area. After graduating high school, Jared joined the United States Army, where he served overseas in Korea.

After his service in the U.S. Army, Jared met the love of his life, Allison. Jared and Allison were married for 27 years and were blessed with two children, Dylan Causseaux and fiancé Pebbles, Brayden Bennett and husband Peyton, and his “bestie” granddaughter, Jessie Rae Bennett.

In addition to Jared’s wife and children, he will be remembered by his parents, father Jerry Causseaux and wife Wanda, mother Cathy Dunbar and husband Richard, sister Jeri Nash and husband Travis, brothers Fred Nichols and wife Angie, and Trey Causseaux and wife Jessica; a Sister-In-Law, Erin Doepke; Brothers-In-Law Alan Webb and wife Kim, and Jeff Webb; and he loved all of his many nieces and nephews.

Jared has been employed with the Florida Department of Transportation for 27 years. Jared progressed from the field as a surveyor to the State GIS Coordinator where he was a national leader within his industry. He loved the outdoors and enjoyed many activities including deer hunting. Jared’s family was so important to him, and his greatest promotion was to Grandpa. He attended Wakulla Springs Baptist Church.

The family will receive friends Friday, February 16, 2024, from 5:00-7:00 pm at Family Funeral Home/Harvey Young Chapel. Funeral Service will be Saturday,

February 17, 2024, 11:00 am at Wakulla Springs Baptist Church. The family will have a private burial in Ochlocknee, Georgia.

“ I had the honor of working closely with Jared during the last few years. He was a true joy to work. He was the epitome of a team player, and his kindness touched every heart. He approached each day with a contagious enthusiasm, lifting spirits and inspiring those around them to strive for greatness. Jared was a leader in his profession, but he will be most remembered for how he fostered genuine connections with each member of our team. His optimism was a beacon of hope during even the most challenging times. His loss is heartbreaking, and my sincerest condolences to those he most cherished. May he rest in eternal peace, knowing that he touched the lives of many and left an indelible mark on our hearts.

“ I worked off and on with Jared in the transportation planning community. It is with great sadness and shock that I get this news and I pray for his loved ones. He was a very sharp and competent professional who always sought to do what's right with any given challenge. And despite his great technical and managerial expertise, he was always approachable and easy to talk to. It is a big loss for our profession and of course a devastating blow at the human level to have him depart this world so young. Prayers to his family - may you find the fortitude in this difficult time.
