“ So sorry about Jed. There were years of differences in our age but most recently we commented on fb about how mighty the Mississippi River was. Like Daddy, he piloted it many times as a tugboat captain. I had commented about a visitor’s center in Vicksburg I often stopped at going to and from teaching in NM just to look out over the Mississippi. Whenever I look at those photos I will think of Jed behind the wheel of one of those tugboats just as I often wondered was he behind one that I saw when I looked out across the river. God speed Jed. Love your cousin. Teresa Bishop Skinner
