“ Jenny... u were my best girl in the whole world.... how can you leave me . I may never know. I will always remember us running and colliding on aunt chris and uncle tims backyard hill .... after years of not seeing each other. I remember our long car rides from albion to newfane at 7 am . You were the best friend i ever had .or ever will have . And i will meet up with you and we can collide again but in the golden hills instead. I love you. Jenny!!
