“*Sadly I just read of Jerry's passing. He was a Very Dear friend since the 9th grade, now we're on the other side of 50. So many times I could pick my phone up and there'd be a "just checking on you " message from Jerry. He was So Loved and will be Missed until we meet again in Heaven. Prayers for his family and ALL of his Dear friends. So proud to have been one of them. We Love you Jerry! The world has lost another Precious One.*
