

Jesse William Cook

October 17, 1966 - September 26, 2024

Jesse William Cook, a business owner and beloved family man, passed away at home on September 26, 2024 at the age of 57. He had been fighting lung cancer since 2022 and ultimately passed away due to complications with the treatment. He was born on October 17, 1966 in Ohio and moved to Florida for the first time in 1998. As a young adult, he dedicated several years of his life to serve his country in the navy and once honorably discharged, he returned home to be more involved with his family.

Known to be a “Jack of all trades”, Jesse mostly worked in the construction business. He and his wife, Angela Cook, created Triple R Renovations and was sought out by many locally due to the quality of his work. Outside of his business you would find him working on small projects, riding his motorcycle or spending time with his family.

You could always count on him to crack a joke or prank someone with one of his many different handcrafted contraptions. Aside from his wild side, he was also full of wisdom and knowledge that he shared with anyone who was willing to listen. He will be remembered for different reasons but mostly as someone you could depend on.

He is survived by his wife, Angela Cook; children, Jessica Cook, Jesse Lee Cook, Joseph Slone, Megan Cook, Cody Cook, Corey Cook, Trevor

Wainscott, Trenidy Resor; sister, Candy Hayes; 10 grandchildren.

“ *Jesse could fix anything and with a joke! We will miss hearing "I don't do X on Thursday!" or whatever day of the week that we needed something done! Mark and I relied heavily on Jesse. We counted on his expertise when purchasing homes to find things that needed fixing and an approximate cost. Not only was he our contractor - he was a dear friend! We sure miss you Jesse and can not believe you are gone! We knew our time with you was short but we sure did not expect it to end this soon! RIP Dear friend!* ”
