“ What a beautiful tribute to an amazing young women. I knew Jessica the little grilled sweet , funny, sneaky and very adorable. I didn't know the women Jessica, but from what I have read and heard she carried on the same traits through out. I am so sorry for her departure, but at the same time so thankful she isn't suffering. I praise God for Jessica. And I send my deepest sympathies to her family. May GOD'S love comfort you at this time, and the Angels put a circle of protection around you.
