“ My great uncle Allen was always one that would bring everyone around him up, and find the light in the darkness. Uncle Allen was always very supportive of my growth as an adult, and always pushed me to be the best Bo I could be.

Many memories of family reunions, football in Mossy Head with the boys, and a love for His Father like no other in his generation.

A devoted father for all 3 boys, grand children, and the like. Uncle Allen will be missed by so many, but his wisdom, his encouragement and his faith will live on through us.

I ask that you live everyday as my Uncle Allen did, with encouragement to all, showing over-flowing faith both privately and publically, and treat others as my Uncle has with love, compassion, and support.

Uncle Allen, may you watch over our family, guide us to be better servants of His word and His way, and show us how to be a better Christian in our daily lives. May you walk among our ancestors in Heaven, awaiting all of our arrivals, keeping guard of the Holy Gates as we make our way there soon.

We love you Uncle Allen, until we meet again, Hooah and Bravo Zulu on Earth!
