Rip my best first sister in law, my first best friend as a little girl. We did everything together and we were inseparable. Even tho your gone our hearts will always be inseparable. I love you and will see you again and we will ride the blue Ford back and forth over all the hills that were in a row on the first dirt road past my house on Springhill road. I can still hear our squeals and laughter because it was so much fun even tho we weren't supposed to be doing it. 😞 It was our secret💕 I'll never forget you❤️
