“ *Reading about Johnny's passing came as a shock. I knew Johnny, Vance and Bruce through their musical endeavors as well as stopping by their family business to pick up some of the best seafood on the coast. Johnny was kind to a fault. Humble. Always willing to lend a hand. I will treasure the times that I had the opportunity to join him in making music. Rest in peace, my friend.*

“ I met Johnny as a teenager in the early 70's. We visited here regularly and as kids we always hung out at the Shipwreck (a gameroom next to the BP) Johnny played music there as "The Brothers 3 Plus 1" if I recall correctly. My Mother often visited Millender & Son Sfd. to buy in quantity what my Dad couldn't catch, LOL. She absolutely adored Johnny and when he sang she was smitten. He always sang "Sylvia's Mother" for her as it was her favorite. My husband Danny, played sports with Johnny in highschool and later in life our children became close friends and they along with others coached them in sports from the time they were T-ballers until highschool age. During those early years of their youth we all spent all of our time raising money, building fields, coaching, running youth leagues. Johnny was a huge part of all that. Johnny was good to everyone he met and he helped so many without any recognition. I could say more but I just will let it go with he will be so missed by his family , friends and community. Go rest high on that mountain. Prayers for God's peace and comfort to Sheila and all the family.
