“ *As Johnsons Home Health Nurse with Amedisys I can remember rubbing his balding head as he tried to remember how " health wise " he really was . Johnson was full of jokes and was a true delight to speak with. History of the war , Love of his family, Love of his kitties, Love of his medical staff in Crawfordville and at the VA in Tallahassee made up our every 2 week home health visit conversations. Occasionally I would visit Johnson at Eden Springs and felt I at times needed to see him more frequently. I will miss his humor and will remember the wonderful privilege of spending time with him. Prayers and sympathy . Dot*
