“ Wes, Rachelle, Carlie and to all the Coleman family, we, all members of our family wish to express our deepest sympathies for the loss of your dear father, husband and grandfather. We have,known him many years. John was quite fond of him. He loved to hear his stories about his life. He would share stories. About his past, things about the military and episodes through his life time. John is going to miss seeing him and having these wonderful conversations with him. May God be with you all and may your grief be lessened by your faith in him. John, dee Cathy, Carolyn, Krystal and Robyn. We love you .
