*“ Mrs. Joy has known me since I was born. She's one of those rare treasures that you find in the world; a good person, honest, always kind (unless you did something wrong and believe me I knew when I did!), always willing to help you out when you needed it! She was the first person that got paid when I got paid. Saint Mark's has lost so many great souls, it will never be the same for me. It'll always be home, but it'll never feel the same. RIP Mrs. Joy and give my mama a hug from me when you see her! You'll forever be missed and loved!*

“ I am completely devastated to learn of Miss Joy's passing. She was the first person I would visit upon arriving in St Marks from Tampa. We would talk for hours about stories from our pasts and she was a National treasure to me. I never failed to leave with a bag full of antiques from BoLynn's. Once I asked her to sign and date the bottom of a beautiful ceramic tea pot and she was happy to do so. The tea pot will hold a place of honor in my Tampa home forever. When our visit would wind down, it was always with me signing her guest book and a hug. I will cherish forever the memories of this beautiful woman who always made me feel right at home. May she rest in God's arms. Heaven gained a good woman - Donna Davis, Tampa, FL

“ Ms. Joy will always hold a special place in my heart. She was a wonderful lady, and I thought the world of her. I'll miss our talks, her checking up on me if I stayed away too long (working), the smile and "Well hello there" I always got when I walked through the door, and the hug we always shared upon my leaving. A wonderful lady, mom, friend.

“ I felt very special when I was in her presence, she just made me feel that way. I would always buy lottery tickets from her and tell her I was going to win big at her store so we would both be rich. St. Marks has lost a very special person.

“ *I have known and loved Ms. Joy all of my life. When our Daddy passed away she sent word by a very special friend that she loved us and that she was right there if we needed her. She asked about sending food and even asked if we needed money for anything. That was Ms. Joy! Not many today love the way she did. Ms Joy .. please hug my Mama and Daddy for me ... I'll see you one day soon ... At the Gate 🙏💜*
