“ I was very sad to hear today that Judie's had passed away. She was our neighbor in Clovis. Her son Neko and I went to school together.
Judie was like a second mother to me.

“ The passing of our dear friend, Judie, is a great loss to me and my family. I met Judie 52 years ago at The First Baptist Church in Silver City, N.M. She was a loyal friend and prayer partner whose prayers saw me through some of the greatest trials in my life. She was fun loving, a very creative artist, a student of the Bible, a lover of Israel and the Jewish people, generous, a truth teller, a devoted Mother to Neko and Michael. She had a quick, intelligent and questioning mind but what I will remember her most for is her love for Jesus. The physical pain she endured the past several years and the burdens she carried are behind her now and it brings great comfort and joy to know she is whole and free, at peace and at rest, standing in the light of His presence for all eternity. She would want everyone she knew, family and friends to trust their lives to Jesus alone and believe and take to heart the words of John 3:16: "For God so loved the world that He gave His only begotten Son, that who ever believes in Him will not perish but have everlasting life."Judie, you fought the fight and your race is won. Until we meet again, I will remember you with love and carry Michael before God's throne of mercy and grace in prayer every day of my time left on earth.
