“ My sister with beautiful sparkling eyes, a smile always on her face. She loved her Bobby Wells so much and her children more. Her grandbabies were the icing on her cake, She is absent from the body but present with the Lord. I'll miss you my sister...until we see each other again in Glory. I've always loved and admired you.

My heart ❤️ is broke for Karen and her family. When I think of Karen I think what a hoot she was. She was so full of life and always smiling. She was a very strong and independent woman. If you were having a bad day; she would try her best to make you smile. She loved Bobby, loved being a mamma and mostly bring a Gigi. She was such a family person and I know you will miss her forever. Fly high Karen in Heaven; I know you are making them laugh. 🙏❤️
