“ Kathy may God keep you safe in his arms of everlasting life. No more illness, always working so hard until you couldn't to financially support Others. Beginning as a child, cleaning homes of your Leon High classmates parents homes. A less of a person would never had stood the test. The will to live was incredible. The most Straight talking person I ever met and doubt will Ever meet again. You truly hold my admiration. Hopefully, fur baby Tank is being cared for in your Absence. Will miss u dear friend.
