

Kathleen "Katie" Ann Herzog

May 13, 1950 - February 12, 2020

Kathleen "Katie" A. Herzog, age 69, of Carrabelle, Florida died on Wednesday, February 12, 2020. While difficult to comprehend her sudden and unexpected death, it meant that she spent her last days doing the things that made her an incredible wife, mother, grandmother, and friend, including preparing to fly cross-country to help care for her 5-month-old and 3-year-old grandsons.

Katie was born in Ames, Iowa to Jerald and Elaine (Mills) Hinke and was the second oldest of nine children. She grew up in Racine, Wisconsin and met her husband, Thomas "Tom" Herzog, at Case High School, where they ultimately both worked for over 25 years. As a high school guidance counselor, Katie's care and compassion helped countless students. These characteristics also made her the most adored mother to her only child, Amanda (Jeff), and grandmother to Colin and Ethan, all of whom will miss her dearly. After moving to Carrabelle, Florida, Katie continued the activities that she loved, including running, gardening, supporting the arts, and traveling. She was always the epitome of health and strength, even hiking Mount Kilimanjaro with Tom one year ago. Katie was preceded in death by her parents. She will be lovingly remembered for her poise, thoughtfulness, humor, and the overwhelming joy that she imparted to others.

“ I met Katie several years ago when she took bridge lessons from me in Tallahassee. She was great! I happened to run into her one day not too long ago at Tallahassee Nurseries. She was as lively as ever. I am so sorry for your loss.
