“ I will never forget you, and I will see you again, in Heaven. I cannot thank you enough for being the wonderful, beautiful, and loving mother figure you were to me so many times when I was younger. Your strength, integrity, devotion, and conviction to your family and anyone you knew, was beyond reproach. Your words and wisdom I will carry with me the rest of my days. Love you forever. “ I had the pleasure of working with Kitty and later playing cards with her at the Wakulla Senior Center. We shared many memories of work. Kitty was a true believer and I know today she is singing with the angels, she was a Christian and praised God for her family and friend and ask his protection for us all.
