“ *I worked with Kay at TOC in the medical records department. She trained me and was always patient with my questions and when I would need to ask for help. She had excellent work ethics and did her very best to do her job correctly and efficiently. She loved her family very much as she would often speak of them and what they had accomplished. My condolences to her family and loved ones.*

“ I worked with Kay for 20 years at TOC. Our birthdays were separated by a couple of months so we were the same age. I will miss scheduling time for Kay, Pat and I to go to lunch together. She loved her family. She was always telling me about her children and grandchildren. She was so proud of them. I will miss Kay.
