Kim L. Moseley

August 22, 1959 - February 21, 2026

Kim passed peacefully on February 21, 2026, into her Lord's arms with family by her side.

Kim was born in Aiken, SC. Kim (family) moved to Florida in the 1960's. She worked with the State of Florida (several agencies) for 18 years. She also worked at General Dynamics for years until her debilitating rheumatoid arthritis became too much.

Kim was preceded in death by her father, Daniel Moseley, Sr. & brother, Michael Dennis Moseley (Sharon). Kim left behind her mother, Lee Moseley; her brothers, Richard Moseley (Beth) & Daniel Moseley, Jr. (Marjorie) & Gary Moseley (Mary).

Kim's hobbies included watercolor & chalk artistry. She loved putting complex puzzles together, especially of dolphins & sea life. She very much-loved family & friends, making everyone laugh often with her great humor. And she always had time for her Chihuahua (Rudy) of 18 years, & Nubby, her lab-mix furbaby. Kim will be forever remembered, loved, cherished, & dearly missed until we see her again in Heaven.
